Uniting Church in Australia
SEACLIFF WEEKLY NEWS

Sunday 7 August 2016

YOU FOOL

He always talked big,
and liked dropping a name
when chatting with neighbours;
but his true claim to fame
was in building big barns.

His wife was a great mum,
his kids did well at school,
but he took these for granted
while he worked like a mule
on building bigger barns.

He schemed into the night
to make his farm more grand.
He took a heart attack and died
with the plans in his hand
for even bigger barns.

On a wintry afternoon,
the hearse drove slowly past
the biggest barns around;
then went on to the cemetery
where they put him in the ground.
