Gospel

As they went, they were made clean. Then one of them, when he saw that he was healed, turned back, praising God with a loud voice. He prostrated himself at Jesus' feet and thanked him... Then Jesus said to him, "Get up and go on your way; your faith has made you well."

Luke 17:14b-16a, 19

For prayer & reflection...

In me there is darkness, but with thee there is light.
I am lonely, but thou leavest me not;
I am feeble in heart, but thou leavest me not;
I am restless, but with thee there is peace;
In me there is bitterness, but with thee there is patience.
Thy ways are past understanding,
But thou knowest the way for me.

Planned Giving Programme for 2016

Today we are distributing envelopes with information pertaining to the Planned Giving Programme 2016. It contains an information pamphlet, a response form, direct debit form and return envelope address to our efficient Stewardship Coordinator. At an opportune time we ask you to read through the information and give it due consideration. We are looking to have responses returned by 30th October which is the last Sunday in October. If you are able to assist with distribution of those not present today it would be greatly appreciated.

Dear Sisters and Brothers in Christ,

As many of you are aware, South Australia has been hit by a severe storm, leaving many residents without power yesterday and today. Some communities, particularly in rural South Australia, are still without power and are experiencing rising water levels in addition to strong wind, hail and rain.

Our thoughts and prayers go to the residents of Melrose, Crystal Brook and Blyth where there has been substantial damage to property, including the Lutheran Church in Blyth.

Prayer is also needed for emergency service workers and those offering practical and pastoral support across South Australia at this time. We pray that God will continue to sustain and strengthen all those communities around South Australia affected by the storm.

We are grateful for the concern and prayers of the wider Christian community as severe weather conditions continue to affect our State.

Yours in Christ, Dr Deidre Palmer
