“Jesus, remember me when you come into your kingdom.”

Luke 23:42

For prayer and reflection...

When you remember me, it seems that you have carried something of who I am with you, that I have left some mark of who I am on who you are.

It means that you can summon me back to your mind even though countless years and miles may stand between us.

It means that if we meet again, you will know me.

It means that even after I die, you can still see my face and hear my voice and speak to me in your heart.

For as long as you remember me, I am never entirely lost. When I’m feeling most ghost-like, it’s your remembering me that helps remind me that I actually exist. When I’m feeling sad, it’s my consolation. When I’m feeling happy, it’s part of why I feel that way.

If you forget me, one of the ways I remember who I am will be gone. If you forget me, part of who I am will be gone.

“Jesus, remember me when you come into your kingdom,” said the good thief from his cross (Luke 23:42).

There are perhaps no more human words in all of Scripture, no prayer we can pray so well.

"B team" Morning Tea.

Next **Sunday, 27th November**, we will be having the "B Team" Annual Celebration with a Special Morning Tea. We are inviting members of the Congregation to help us by supplying a plate of suitable food for this occasion. Thank you, in anticipation,

Delia and Von.

Sunday walk.

Despite all the fears of rain, 14 of us, including visitors from Sydney, enjoyed perfect walking weather. Some sunshine, a little cloud and no rain. We mainly followed animal tracks and some of the front walkers even saw two lovely deer. It was a really enjoyable afternoon and plans are afoot for an extended walk next year.

Baby Boomers turn 70-ish – Reminder

Many of you will remember that we had a 'Birthday Bash' about 10 years ago to celebrate many of us turning 60-ish. Well guess what? Most of us are now turning 70-ish and let's thank God for that! So a few of us have shared some ideas about another party

and suggest that some activities might include: a Boomer Quiz including music, some 'old time' Boomer dances, Boomer clothes and memorabilia and of course a shared Boomer birthday cake. I suggest we go for May or June on a Saturday night in our hall and have dodged the AFL matches and the long weekend leaving **May 20 or June 3 or 24**. Please tell me if there are other serious clashes I don't know about. We are not going to get into a debate about Boomer years and ages, so, if you think you are a 'Boomer' then you are and of course everyone will be most welcome. I will convene a meeting **about 11am** today in the church after the service, and the NCLS survey, to book a date, and get the 'ball rolling' inviting all to attend with ideas and offers. David

On a superb riding day (one rider suggested they could ride all day) we rode to the Himeji Gardens, they were stunning and worth another visit. We then toured the Adelaide Classic preparations and finally took in the aromas of the Veale Gardens. A superb ride was topped off with coffee at Dear Daisy, where we said our goodbyes to Faye and Ian who will be away until next year. Meet at Wattle Reserve 8.30am for next weeks ride. Brian

National Christian Life Survey –

Here at Seacliff, we will be participating in the survey today. The worship time will be a little shorter to enable us to finish the survey at a reasonable time.

We really do encourage everyone to take part, as the more people who do, the more complete, and therefore accurate, the data will be. We are also making the forms available to members of our church community other than those we see on Sunday mornings.
