SEACLIFF WEEKLY NEWS
Sunday 9th April 2017
Palm Sunday

PREPARATION

Tell the daughters of Mt Zion:
Look! Your king is coming to you,
humble and mounted on an ass.

Hosanna to the Son of David!

Blessed is he who comes in the name of God.

Hosanna in the highest!

When he entered Jerusalem,
the whole city was excited
and people asked: "Who is this person?"

And the crowd replied:

This is Jesus,

from Nazareth in Galilee. Bruce Prewer. Used with permission.

Packing Day.

I am collecting for "Packing Day" again this year. Because of all the sorting out of clothing I have to do before delivering it to Marion Church for the actual packing, I'd prefer not to receive clothing. There is a great need for used, good linen, Bathroom needs, children's pencils, pens, books, colouring books, I am willing to collect those. If you do have clothing please put it in a bag marking it with the type of clothes eg. Women's or children's etc, - no woollen or synthetic clothes please. Donations can be given to me at church any weekend until end of May. Thanks. Von.

Spit Roast, on Saturday, 29th April, 6.30 pm.

Our numbers for this event are growing slowly but we would appreciate knowing if you are coming as we have to pre order the Beef and the size of it depends on the number of people we need to feed. Again just speak to us at Church. A good night is guaranteed. Von

Re TakeUs2 last Sunday.

We enjoyed the night and hope that you did. We very much appreciated all the help that people gave. The people who put out and put away tables and chairs, the many who pitched in to wash up and put things away in the kitchen. Despite taking some recyclable plates to save washing up there was still plenty for the willing helpers to do. The support of so many people make events like this possible. Thank you.

Property

John Bollinger and I have cleared out the Jail so that we can get at things like the mower that are needed regularly. At Soapbox last week I spoke of a number of items that we would like to clear out. The small fridge I referred to, I now believe, is a small freezer and came from the office that we shared with Seacombe. I don't believe our Church has a use for it and if you would like to look at it contact me or any member of P & F. There is also a window-type air con. (that works but is noisy), an old white projector screen, a number of wooden boxes, a wooden table, card tables with unsteady legs etc If you think we should keep any of the above please let me know otherwise they will be going to another place.

Again a big thank you to all who have put into Church maintenance these last few weeks. The results of your efforts are showing.

We have, or are, collecting quotes for repairs to the bitumen in the back car park, these and the condition of Wheatland House roof will be considered by Church Council next Tuesday.

We have a large property that, just like your own home, needs constant care, cleaning and maintenance. We are fortunate that we have so many willing helpers and they are really appreciated but always there is a need for more help. Please consider what you can do to help. **Geoff**

Cogs “n” Coffee

We had a perfect day for a ride meandering our way to Adelaide Oval where 12 of us had a lovely coffee at Koffee inc. Some took advantage of the location to view Adelaide oval.

Meet at Greig’s at 7.30 for next week’s mystery ride.

Brian
