SEACLIFF WEEKLY NEWS

PENTECOST 14**

ENTRY INTO WORSHIP

Will you, God, live on this small planet earth?
Look! Heaven and earth cannot contain You,
much less this house of prayer
which we have built and cherished..

*Raise the stone and you shall find me,
cleave the wood and I am there.*

There is no god like you, God of Jesus,
neither on earth nor elsewhere in the whole universe!
A God who keeps every promise
and shows unswerving love to your servants
who with all their hearts walk in your ways.

*Blessed are you, our Creator and Redeemer,
in whom we live and move and have our being.*

This Week at Seacliff What's News

Who we are!

A reminder - please remember / re-establish the habit to wear your **name badge** each week, so that John, and then Anne, can get to know us more readily. Max

Developing partnerships with our tenants

Most of you will know that we have partnerships with 6 local groups/businesses who hire and use these premises on a weekly basis. On your behalf, I have recently been negotiating with them about their fees for next year and ways we can further develop our partnerships. One suggestion I have put to P&F and Church Council is that we allow/encourage them to advertise their activities at the front of the middle hall. I propose that we allow/encourage them to put up posters in the western-most window from Sept to Nov and, depending on how that goes, that we consider a more permanent display in the New Year. In the absence of forthcoming meetings, I will speak briefly on the Soapbox and welcome your public or private comments today. Unless there are significant issues we have not yet considered, we intend to proceed forthwith. *David*

Notes from the Treasurer

Financial reimbursement

As I mentioned last week, it will assist me if you can please complete a special form to claim reimbursement for the costs of materials you have purchased for whatever reason. Please see me directly or collect a form from the 'Treasurer's' Pigeon hole for this propose and return it to me.

Budget for 2019

I am currently analysing our income and expenditure so far this year as a basis for what we might do and the budget for next year. If there is any possible/proposed income/expenditure that I may not yet know about, please see/tell me asap. The draft budget will be presented to you at the AGM in November, but before that we have a Stewardship Program and the P&F and CC meetings to review my proposals. *David*

+Cogs n Coffee

On a lovely winters day, 11 of us rode to the Conservation Centre in Franklin St, to hear about how the organization, **Bikes for Refugees** function. We had a very informative talk about what they do and an opportunity for a look around. If you would like to make a donation to their work, place in an envelope marked **bikes for refugees** and place in the offering.

Next weeks ride, meet at Wattle Reserve at 8.30am with your seniors card for a ride to Outerharbour.
