Psalm 107

- ¹ Give thanks to the Lord, for he is good;
his love endures forever.
- ² Let the redeemed of the Lord tell their story—
those he redeemed from the hand of the foe,
³ those he gathered from the lands,
from east and west, from north and south.^(a)
- ⁴ Some wandered in desert wastelands,
finding no way to a city where they could settle.
- ⁵ They were hungry and thirsty,
and their lives ebbed away.
- ⁶ Then they cried out to the Lord in their trouble,
and he delivered them from their distress.
- ⁷ He led them by a straight way
to a city where they could settle.
- ⁸ Let them give thanks to the Lord for his unfailing love
and his wonderful deeds for mankind,
⁹ for he satisfies the thirsty
and fills the hungry with good things.

A letter from our President: Dr Deidre Palmer UC E-News

Dear friends, I invite members of the Uniting Church in Australia and all who share in our hope for the healing of the Earth, to take part in the **Global Climate Action on September 20, 2019.**

This Earth is created by our good and generous Creator. We are connected to the Earth and are called to live with care and respect toward the whole Creation. In the Scriptures and in our present context we hear Christ's call to participate in Christ's renewal of the creation.

Climate refugees, widening deserts, polluted oceans, endangered animals and vanishing forests are signs of the suffering of our planet, and a cry for us to take compassionate action as disciples of Christ. We are passionately committed to contributing our voice and action toward a world in which all people, creatures and the Earth can flourish.

We call on our Australian Government to enact climate change policy that recognises our contribution to the crisis facing our planet, and acts to effectively address the crisis and contribute to the healing of God's Earth. Grace and peace,

Deidre Palmer President: Uniting Church in Australia Assembly
