Jesus Heals Ten Men With Leprosy

¹¹ Now on his way to Jerusalem, Jesus traveled along the border between Samaria and Galilee. ¹² As he was going into a village, ten men who had leprosy^[a] met him. They stood at a distance ¹³ and called out in a loud voice, "Jesus, Master, have pity on us!"

¹⁴ When he saw them, he said, "Go, show yourselves to the priests." And as they went, they were cleansed.

¹⁵ One of them, when he saw he was healed, came back, praising God in a loud voice. ¹⁶ He threw himself at Jesus' feet and thanked him—and he was a Samaritan.

¹⁷ Jesus asked, "Were not all ten cleansed? Where are the other nine? ¹⁸ Has no one returned to give praise to God except this foreigner?" ¹⁹ Then he said to him, "Rise and go; your faith has made you well."

Luke 17: 11 – 19

Church Dinner cost

We have had a new price quoted for our Church Dinner on December 4th, \$40 instead of \$50! Everyone who has paid already is hereby offered a refund of the \$10 difference and we are also suggesting another (default) option which is for that \$10 to remain in the Dinner Account and to be employed if required, as a contribution towards enabling someone to come who doesn't have the funds available. Please let Annette and Geoff know which option you prefer and whether you are (or know) someone who might be able to (confidentially) use such a subsidy. *P.S. there will be a further notice about 'entertainment' in due course.*

“Killing this planet is against my religion”

I saw this on a placard at the recent Climate Rally and it reminded me that some of us have talked about the possibility of starting a local 'Environmental Action Group'. If we choose to do so, this group would join with many other groups around the world with the aim to 'think globally and act locally.'

I suggest that we spend a few weeks thinking and talking about what sort of local action we could take as part of our Christian mission and that we meet at about **11am on Sunday October 20** to see if there is sufficient interest to take further steps in this direction. David

Climate Change Action

Many people are concerned about inadequate action from our leaders in tackling climate change. Most are thinking what they can do to make a difference. Well here is a way to do something without leaving home. All you need to do is to sign a petition on the Australian Parliament website. Just turn on your computer or smartphone and go

to https://www.aph.gov.au/petition_list?id=EN1041 where you will see the petition wording and an opportunity to add your name.

The petition closes on 16 October 2019 so be quick. More than 206,000 people had signed as of 3 October 2019. Warwick
