The Rich and the Kingdom of God

¹⁷ As Jesus started on his way, a man ran up to him and fell on his knees before him. “Good teacher,” he asked, “what must I do to inherit eternal life?” ¹⁸ “Why do you call me good?” Jesus answered. “No one is good—except God alone. ¹⁹ You know the commandments: ‘You shall not murder, you shall not commit adultery, you shall not steal, you shall not give false testimony, you shall not defraud, honor your father and mother.’” ²⁰ “Teacher,” he declared, “all these I have kept since I was a boy.” ²¹ Jesus looked at him and loved him. “One thing you lack,” he said. “Go, sell everything you have and give to the poor, and you will have treasure in heaven. Then come, follow me.” ²² At this the man’s face fell. He went away sad, because he had great wealth.

²³ Jesus looked around and said to his disciples, “How hard it is for the rich to enter the kingdom of God!” ²⁴ The disciples were amazed at his words. But Jesus said again, “Children, how hard it is to enter the kingdom of God! ²⁵ It is easier for a camel to go through the eye of a needle than for someone who is rich to enter the kingdom of God.”

²⁶ The disciples were even more amazed, and said to each other, “Who then can be saved?” ²⁷ Jesus looked at them and said, “With man this is impossible, but not with God; all things are possible with God.”

What's News

Annual General Meeting

The first part of our AGM, for the elections to positions of service and leadership, will be conducted on **Sunday 10th November**. Nomination sheets will be available from early October.

The 2024 list and nominations for 2025 will appear on the cupboard doors in the hall next week. Please indicate whether you are available to nominate for next year – either continuing or as a new nomination.

As the next day is the 11th, Remembrance Day, I would like to start the meeting at **10.55** so that we can observe the Remembrance Day Minute's Silence at 11.00 am.

Please note the date and plan to be there.

Property Matter

Wheatland House hot water is now heated by electricity and currently, in order to save power, is not switched on. If you need hot water, the system needs about 90 minutes warning.

Instructions for turning on the hot water are printed next the hot water tap in the kitchen. It is very important that the cold water is turned on before the electricity. The tap for this is on the left hand side just behind the storage tank cage, outside and below the kitchen window.

It would be really good to have a light weight step ladder for the premises. We are looking for something between 6 ft (1.8 metres) and 8 ft. (2.4metres). If you have such an unwanted step ladder I would like to hear from you.
